

CPI Manual and Handbooks session: abstracts

1. Status and Updating of the CPI Manual

Valentina Stoevska, ILO

This is a session for the Ottawa Group to provide feedback on the CPI Manual and discuss an ongoing forum for identifying areas of the manuals that require updating.

Valentina Stoevska will report on the status of the manual and present the results of the survey on the usefulness of the manual, that is currently being conducted jointly with the ECE.

2. Supplementary Handbooks to the ILO CPI Manual: Handbook of Practical Issues on CPI Construction Confronted by Developing Countries

David Fenwick, ONS, United Kingdom

Abstract not yet received.
